**Academic Probation**

Students who earn a cumulative GPA of less than 2.0 will be placed on Academic Probation after the close of that semester. While on academic probation, students may not enroll in more than 13 credit hours in either fall or spring terms or more than six hours during a full (12-week) summer term. Students who are on Academic Probation and cease continuous enrollment, and subsequently wish to return to the institution, must apply for readmission and will be held to those readmission criteria.

**Academic Suspension**

At the end of a semester on academic probation, students must have earned a semester GPA of at least 2.0 or raised their cumulative GPA to 2.0. Students not meeting the semester or cumulative GPA requirement will be placed on academic suspension. Students may not enroll in classes at EKU while academically suspended. Students who are academically suspended for the first time may not enroll in classes at EKU for one full semester (summer is counted with the next fall semester if academically suspended at the end of the spring term). Students may be academically suspended up to three times during their academic career at EKU. The second academic suspension is for one calendar year and a third academic suspension is for two calendar years. An academically suspended student will return to EKU on academic probation if his/her cumulative GPA is less than a 2.0 at the time of his/her return. Previously suspended students are subject to EKU requirements for readmission.

**Academic Dismissal**

Students who have been academically suspended three times must maintain a semester GPA of 2.0 or better each semester after they return. Students who have been academically suspended three times, and after returning are unable to maintain a semester GPA of 2.0, will be academically dismissed from EKU for a period of five calendar years and are subject to EKU requirements for readmission.
